DEDICATION

Vari-colored memories are woven into this Palladium — halls and walls, the Chapel's charm and the campus in the spring, friendly smiles, gay activities, and the quiet of study hours. Through them all, bright with simple cheerfulness, glowing with kindly interest, strong with devotion to duty, and as beautiful as his hymns, runs the golden thread of the memory of Father Faurote.

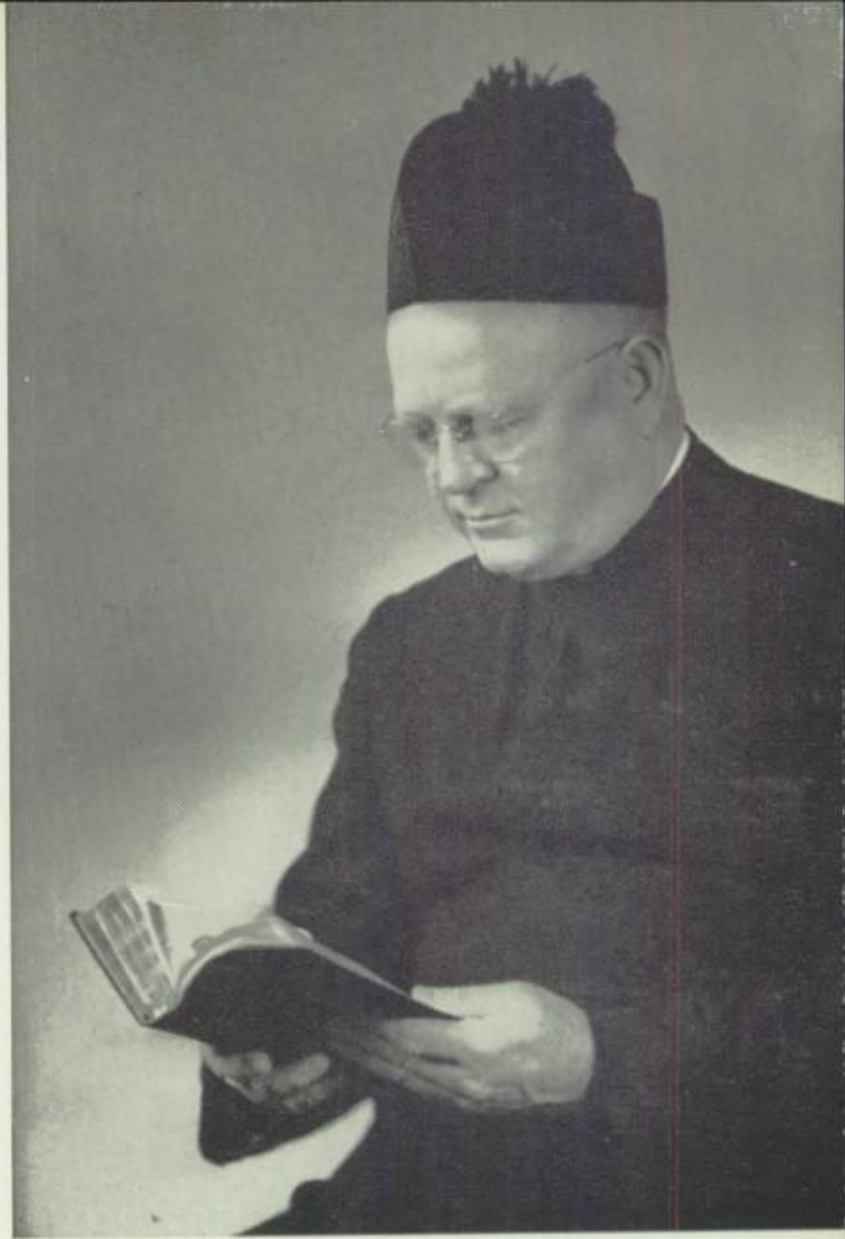

It is to you, Father, that we gratefully dedicate the Palladium of 1955.

THE LIFE OF GOD

Of Joseph and his virtues let us sing,
O happy spouse of Mary, may we bring
To all the blessed story of his care,
And how he shared the holy life of God.

He shared the lowly stable at His birth,
He trod the sandy desert, knew the mirth
Of blessed happy childhood spent beside
The modest home, where love and beauty reigned.

O Joseph, may we know thee, seek to give
To others thy great secret, how to live
In joy and unsung glory, happy peace,
The very breath, the holy life of God.

The Reverend D. Leo Faurote

GOD'S MIRRORS

Every dewy droplet
Glistening by the lea,
Mirrors all the beauty
Of the land and Sea.

Nature's lavish beauty
Beckons to a Mind
Building worlds of Spirit
Beauties more refined.

God's Eternal Mirror
High above the clod,
Blessed Virgin Mother
Shows the Face of God.

TRINITY HYMN

Blest be Thou, God our Father,
Our souls were made for Thee.
May grateful voices praise Thee,
For all eternity.

Blest be our Holy Savior
Who washed away our shame.
Blest be the Name of Jesus,
Blest be His Holy Name.

Blest be the Holy Spirit,
Lest we forget Thee most.
The love of God, our Refuge,
Blest be the Holy Ghost.

Blest be the great Jehova,
One God eternally,
Three Holy Persons praise we,
Blest be the Trinity.

Most Reverend John G. Bennett, D. D.

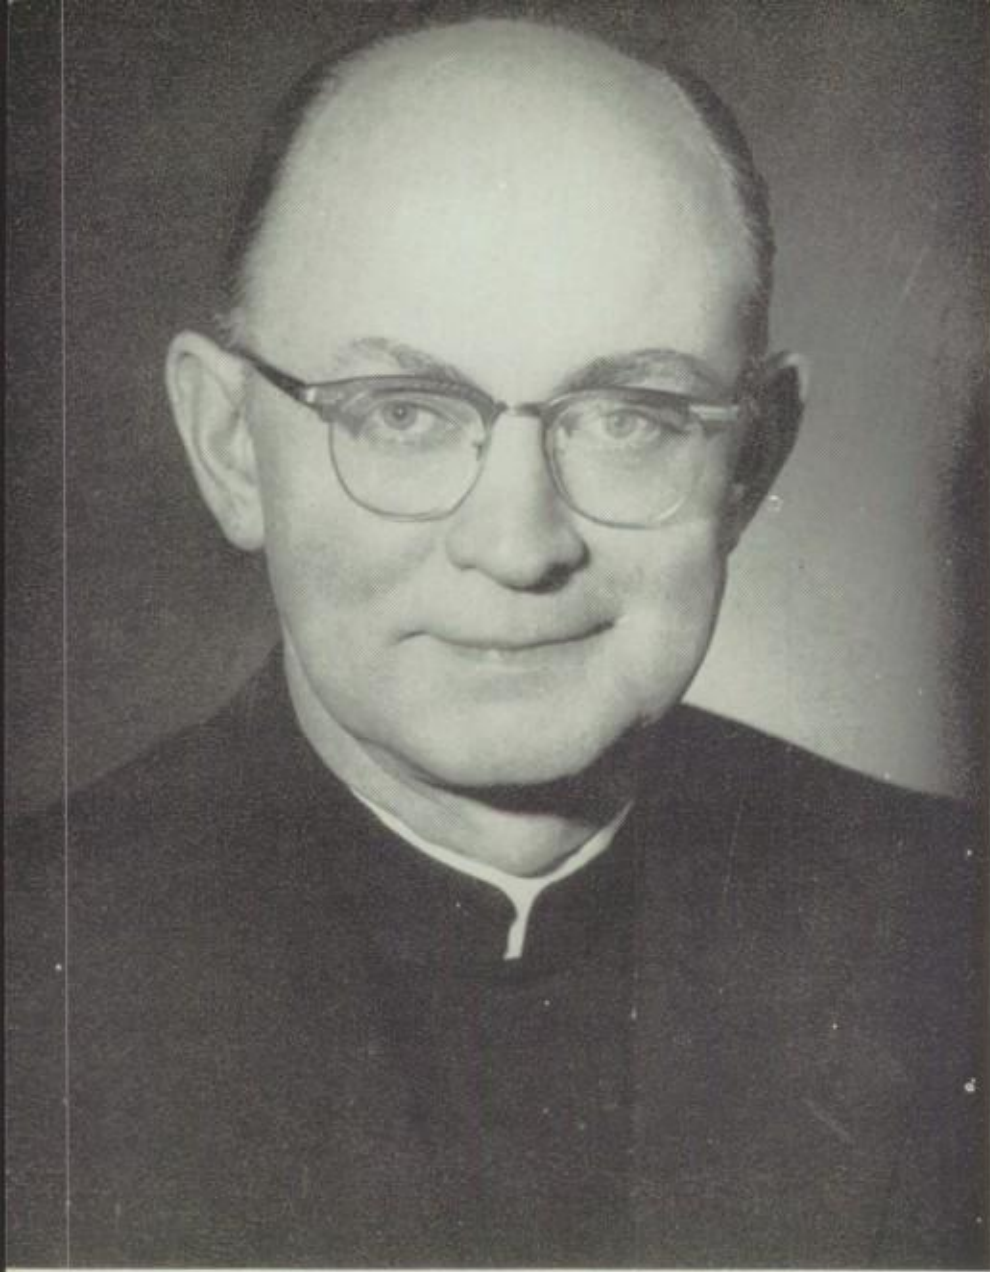

On January 10, Our Most Reverend Bishop, John G. Bennett, celebrated his Tenth Anniversary as Bishop of the Diocese of Lafayette in Indiana. Our Bishop, who has devoted much of his time to the sanctification of youth, gave the annual retreat to the St. Joseph Academy girls in October. His unceasing works of goodness have been deeply appreciated and he will never be forgotten in our prayers.

FATIMA IS REPRODUCED AT S. J. A.

Now at S. J. A., we have a realistic likeness of Our Lady's apparition at Fatima. A stranger passing by would think the shrine is one of world-wide fame. Well, it could be, as the shrine is one of the most beautiful on the face of the earth. The statues, handcarved in Italy, give a touch of the old world splendor. As you gaze at the shrine you feel as if you are at Fatima watching the children. Soon the shrine will be dotted with flowers, and the lawn will have a green carpet drawn over it. Surely, everyone at S. J. A. is tremendously proud of our shrine.

Father Edward Dempsey came to Saint Joseph's as Chaplain soon after Christmas vacation. Father was originally from Rochester, New York, but has spent the last few years at Saint Ann's Church in Lafayette. Since he came to the Academy, he has been teaching all the Religion classes five days a week, as well as English IV. We are very happy to have Father Dempsey with us and hope he will remain as Chaplain for many years to come.

THE BEAUTIFUL SPRINGTIME

In the early golden springtime
When the flowers begin to grow
I think of God Almighty
And the many gifts He bestows.

When the robin sends forth his song
And the flowers their fragrance give
I again thank God in Heaven
For allowing me to live.

The majestic greatness of God
No one of us can deny
For around us the very nature
Breathes forth His every sigh.

S. J. A. CAMPUS

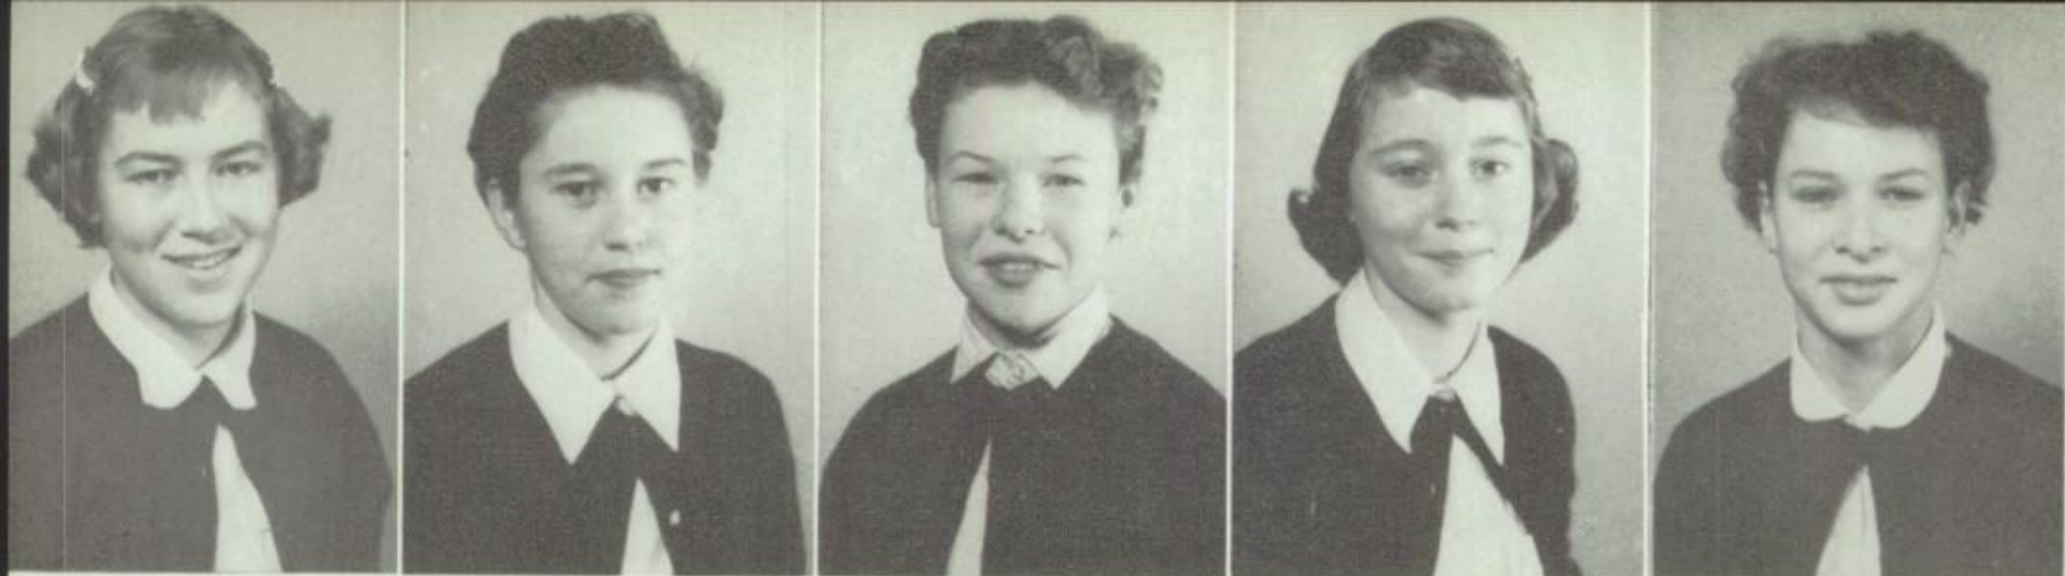

A long, broad lane is ever majestic — —
To its destiny unknown, alluring and mystic.
Tall, elegant trees serve as sergeant at arms
Saluting one figure, Protectorate from harms.

Not far from this sentinel, known as St. Joe by all,
Stands a sleek, shining flagpole, majestically tall.
Our Lady of Lourdes, watching over us, too.
Guiding us safely, the whole day through.

Still another sentinel has been posted to guard
Our dear S. J. A., her filial ward.
Our Lady of Fatima has joined the force
In directing us accurately on our course.

Mother Nature has also had her say,
In her perpetually quiet and beautiful way.
With all these sentinels so firmly bound
Our S. J. A. Campus can surely be found.

CLASSES

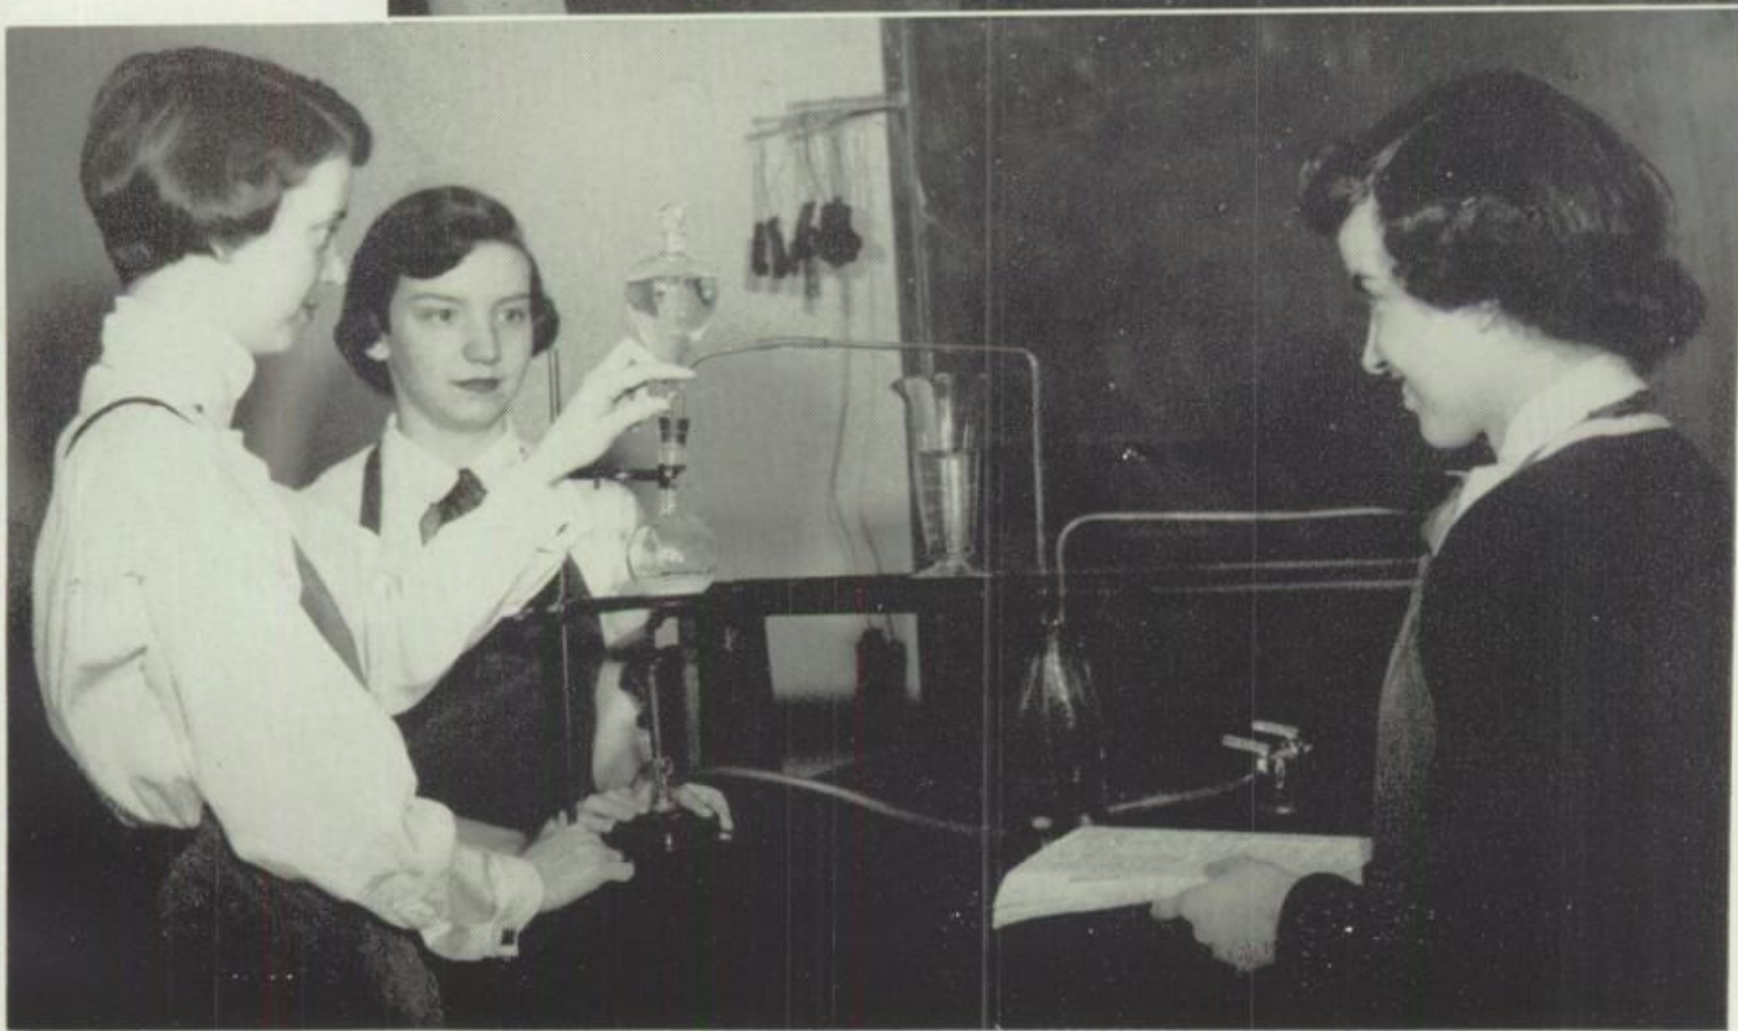

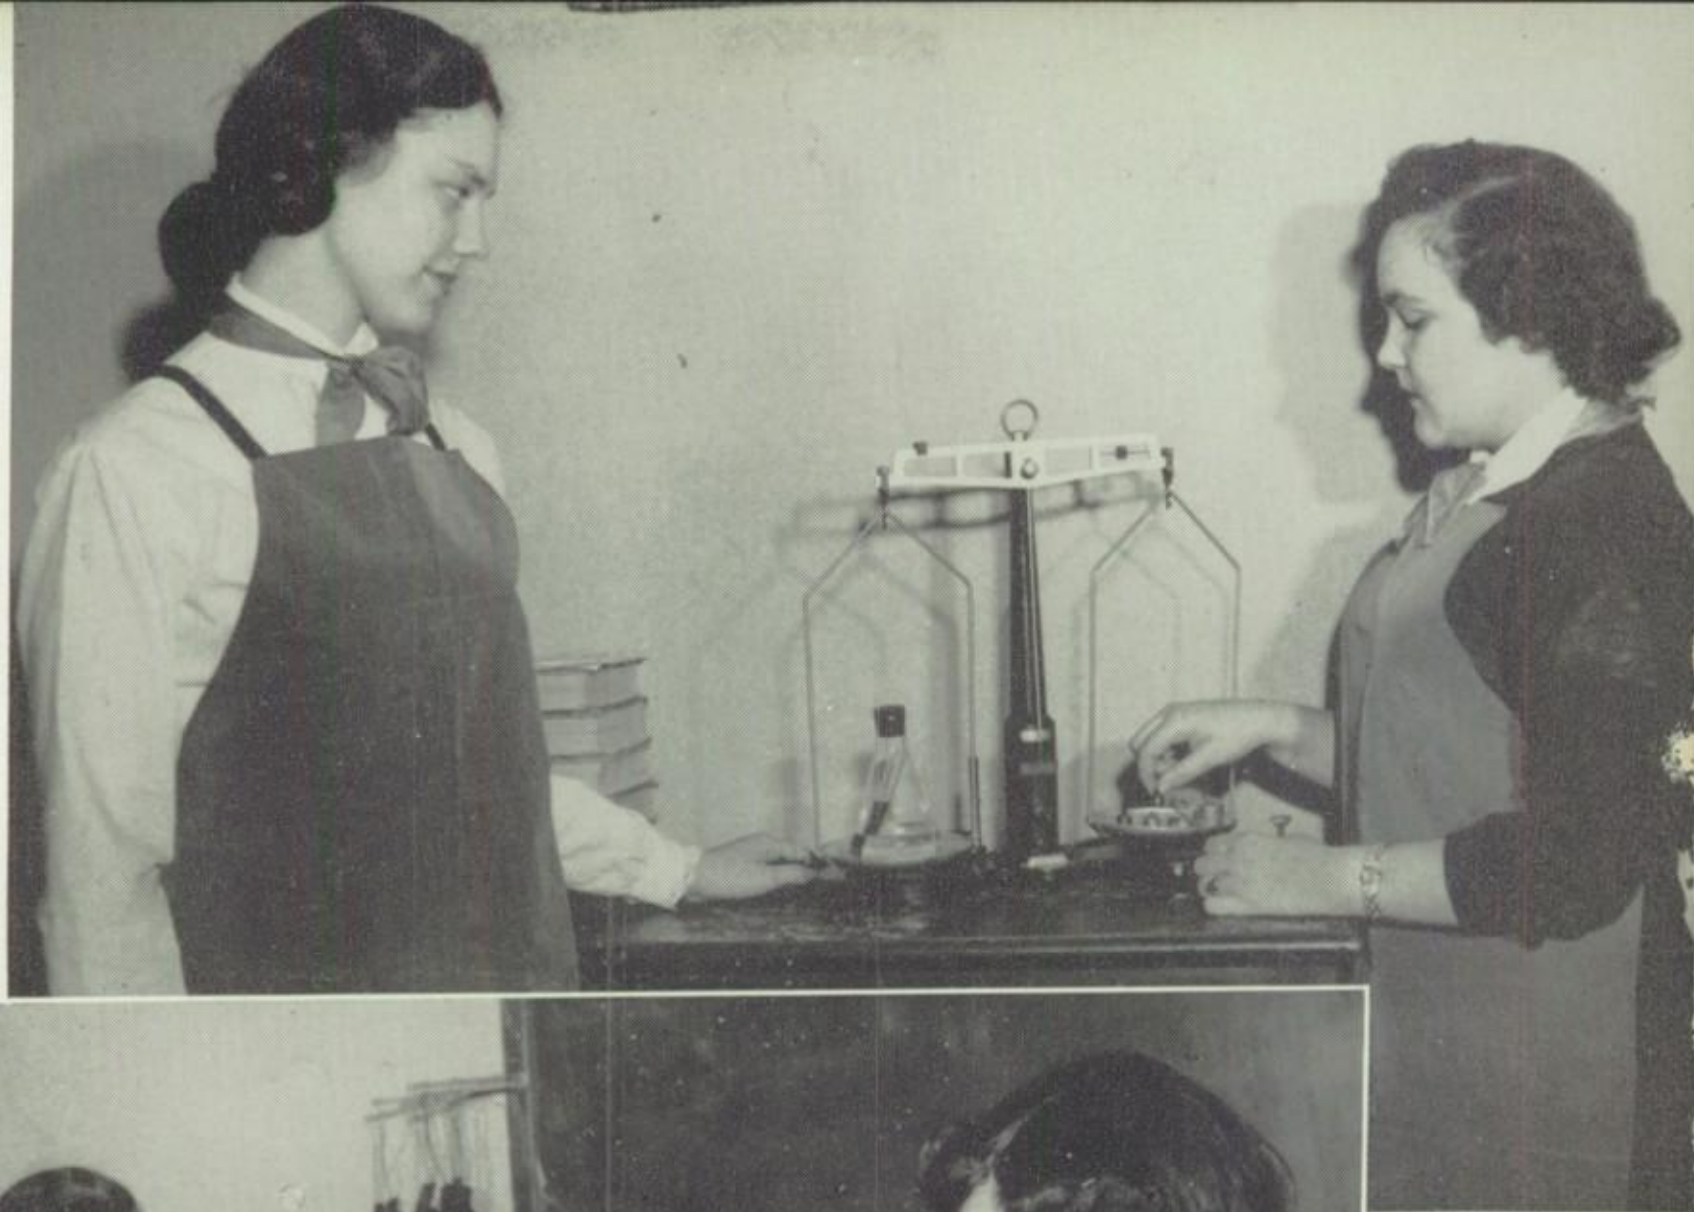

Mathematics is good food for the brain. This expert training of the mind aids us in solving life's problems.

Mathematics teaches us to think clearly and work accurately. These are essential qualities for any responsible job.

Biology teaches us to understand, appreciate, and love God's world and His creatures. Through our study of the complexities of Science, we learn how God's wisdom and divine planning are manifested in human nature.

By experimentation in Chemistry, we gain a knowledge of the conservation of matter and the earth's elements. The girls made practically everything in the lab this year except an H-Bomb, and they probably attempted that!

Shorthand, Typing and Bookkeeping prepare the girls for their careers as tomorrow's Secretaries.

New friends, experiences,
knowledge and culture can
be gained through good read-
ing.

Future homemakers are made at S. J. A.

Cooking is one of the most important functions of a housewife. Every young girl should learn the economical way of preparing well-balanced meals.

Girls who have a knowledge of domestic science are better prepared to become future homemakers. Sewing and cooking are essentials in every girl's training.

Judy, Pat and Marge paid a visit to St. Joseph's before the opening of school. Looking at the images of Our Lady throughout the school, they thank her for the benefits of a Religious education.

DRIVING CLASS

When the light is red and turns to yellow,
Don't try to beat the other fellow.
But proceed when the light turns green,
So you can prevent the accident unforeseen.

Sonja Rogers '56

Driver's Ed has been a part of the Academy's curriculum since 1952. It is, without a doubt, the favorite class of the day. With Sister Madonna and Sister Rosemary as driving instructors, the pupils are sure to become safe and capable drivers of the future. The girls learn the safe and courteous way to drive in Dual-Control cars. Driver's Ed is one of the most practical and enjoyable subjects taught at the Academy.

S. J. A. CAMPUS

Our campus is beautiful! In the spring it is a blanket of rich green. The flowers are bursting open with radiant colors, and the bees are buzzing around them seeking the sweet pollen.

In the midst of all this beauty stands St. Katharine Hall, which the students use for physical ed., entertainment, dances and many other activities.

Nestled behind the gym is a lovely Sacred Heart Shrine standing on the peak of a rock garden. In front of this is a small goldfish pond which received many hours of special care from our late beloved Father Faurote.

A little to the east of the main entrance is Our Lady of Lourdes Grotto, where the crowning of Mary, Our Queen, takes place every May Day. Across from that is a small picturesque grotto of the Little Flower of Jesus.

As you approach our Academy up the beautiful driveway lined with various kinds of maple trees, you see first of all a life-like statue of our patron, Saint Joseph. Behind that stands the Academy which has been the home of Saint Joseph's pupils for fifty years. We hope he will continue to guard his school for many years to come.

ACTIVITIES

MAY DAY

When May Day at S. J. A. approaches, everyone is filled with anxiety, joy and devotion. This is the day when Sisters, friends and alumnae are all reunited at St. Joseph's to pay special tribute to Mary, the Queen of Peace. Our Lady's statue is carried in an outdoor procession, which ends at the Shrine, where she is crowned by the chosen Senior. Last year this privilege was bestowed on Patricia Crawford. The May Day devotions will take place on May 24 this year. Paula Kerr, Indianapolis, will crown Our Lady in the name of all at S. J. A.

May Day is one of the happiest at S. J. A., because everyone has an opportunity to pray to Our Lady in petition, veneration, and above all, thanksgiving for our gift of Faith.

LEADERS OF INDIVIDUAL UNITS

Left to right: Nancy Alvey, Madonna Reith, Paula Kerr, Jane Weber,
Pat Anderson, Norma Davidson, Dorothy Dowd.

THE SODALITY OF OUR BLESSED MOTHER

Our Lady's Sodality has been one of the most religious activities of S. J. A. for many years. This year the Sodality was divided into seven different units, each having its own officers. Judy O'Connor was Prefect of the entire organization; Vice-Prefect, Virginia Jansen; Secretary, Pat Anderson; and Treasurer, Norma Davidson.

Each Sodalist endeavored to live up to her title with daily Rosary and Communion, frequent Confession and, above all, prayer and sacrifice.

THE ROSARY

The Family Rosary has grown in many ways, and has spread over the continents of the world. When Father Peyton, modern advocate of the Family Rosary, was on his sick bed, he promised Our Lady that he would spread devotion to the Family Rosary. As a result of the promise, Father Peyton's health was restored. His motto "The Family That Prays Together Stays Together" has brought many families closer to Mary and her Son.

The Family Rosary is needed for many things: the conversion of Russia and all sinners, the destruction of communism, and peace among nations.

If you were to visit S. J. A.'s third floor, where the boarders reside, you would see something like the following:

It is almost nine o'clock, and Sister is about to ring the bell for Family Rosary, which the Academy girls themselves started a few years ago. The girls assemble in the corridor to pay their last tribute of the day to Our Blessed Lady. They recite the Rosary each night by candle light, circled in front of Our Blessed Lady's statue.

If more families adhered to Father Peyton's recommendation of the Family Rosary, Our Lady might grant peace to the chaotic world of sin and unhappiness.

"OUR LADY"

Beautiful Lady
So tender and sweet,
We stand today
At your loving feet.

We see your bright smile
And the tender glance
That makes us happy
And the sunbeams dance.

We know today,
As we kneel and pray,
That your Son above
Gives us His love.

Betty Ripberger '55

As well as giving tired minds a rest and building healthy bodies, gym class develops good sportsmanship among the girls. In their various activities, they learn to be good losers, as well as good winners.

Plenty of good exercise and recreation in gym class keep the girls in top physical fitness. Gym provides time for all to get better acquainted and to enjoy roller skating, dancing, games and many other activities.

Music develops
our culture, unites
us with God, and
elevates our minds
and spirits.

S. J. A. HOST TO CHRISTOPHER LYNCH

A deeper appreciation of musical culture was instilled at S. J. A. last fall with the appearance of Christopher Lynch, a native of Rathkeale, County Limerick. The lyric tenor has exhibited his talent before many radio and television fans as the magnificent tenor of "The Voice of Firestone," guest star of Ed Sullivan and Dave Garroway, as well as star of his own Christopher Lynch Show.

Severin Turrell, a Polish pianist who spent several years in a German concentration camp, acted as accompanist for Mr. Lynch and also thrilled his listeners with a program of outstanding music.

CHORAL

At 12:37 our lunch hour ends—
And the period called Choral proceeds to begin.
With altos and sopranos, (both groups laden with food)
It's sometimes hard to get in a singing mood.
But with backs straight as sticks, and feet flat on the floor
We practice and practice and then — practice some more —
For a concert's in sight which means just one thing:
Sister Rosemary's busy teaching the right way to sing.
Our Ave Maria's with a deep rich soul
To please "Our Lady" which is our main goal.
Why is Choral my favorite time of the day?
Because we tell, through song, just what we want to say.

Ruthie Zimmerer '56

"OUR LITTLE REDBIRD"

Will you come here, O redbird dear
And sing a song to me.
Dear redbird, perch upon my tree
And sing the best you can for me.

I watched you fly above the snow
When the campus was so cold and drear,
Your presence set my heart aglow,
At this springtime of the year.

Mary Kay Becker '57

A number of dances were held at S. J. A. this year to give the teen-agers of Tipton and the neighboring towns an opportunity to get better acquainted and to enjoy good, wholesome, Christian fun. Mary, Queen of All Hearts and Pat Anderson, Campus Queen, were both honored at our Valentine Dance.

Lasting friendships, good christian ideals and strong characters are formed in a Catholic boarding school. Living with others prepares the girls for their future social and family life.

"SAINT JOSEPH'S SHADOW"

Adown the dark and dusky lane
A figure may be seen;
His purple cloak and sandals worn,
His face is so serene.

His hands are old, his hair is gray,
His eyes are soft and shining.
He worked all day within his shop
With a special Guest abiding.

He passed his life upon this earth
In doing good for others.
He died within the arms of Christ
And of our Blessed Mother.

'Twas long ago he left this earth,
But could not stay away!
He's here to help each one of us
Each second of the day.

St. Joseph of the workmen,
St. Joseph, most pure soul!
Dear Patron of the Happy Death,
Help us to win our goal.
